Dr. Frank G. Colby
Dr. Raymond Fagan
Dr. I. W. Hughes

Gentlemen:

Enclosed please find the revised SRI International proposal which was received by this office on April 7, 1979. I would greatly appreciate your views as to whether Dr. Liston has incorporated correctly our suggested changes. Due to the fact that we have experienced some problems in arranging conference calls and the availability of your scientific colleagues may vary, I am planning to contact each of you individually during the week of April 16, 1979. If you will be unavailable during this time or have other comments regarding the proposal, please do not hesitate to contact me.

Best regards.

Sincerely,

Patrick M. Sirridge
